

Jubilant HollisterStier Receives Five CMO Leadership Awards 2022

Spokane, WA and Montreal, QC, March 16, 2022 - Jubilant HollisterStier LLC, a leading pharmaceutical contract manufacturer and a subsidiary of Jubilant Pharma Limited, today announced that it has received the prestigious CMO Leadership Awards 2022 in five categories - Expertise, Capabilities and Compatibility across small pharma respondents and Service and Reliability across overall respondents and small pharma respondents. The winners of the award were determined through customer survey data compiled by the Industry Standard Research (ISR) in partnership with Outsourced Pharma and Life Science Leader.

Amit Arora, CMO President, Jubilant HollisterStier LLC shared on the occasion, “We are committed to the satisfaction of our customers. It is extremely rewarding to have them acknowledge our efforts and the work we have done together. With our new ophthalmic line running and our sterile filling expansion underway, we are in a great position to grow with our customers while maintaining the personable, reliable service they expect from us.”

“CDMOs have persevered as we enter the year 3 CE (COVID Era). They remain steadfast partners to drug sponsors of all shapes and sizes,” says Louis Garguilo, Chief Editor and Conference Chair, Outsourced Pharma. “Which of these service providers, though, should be at the top of your list? A great place to start is with the winners of the 2022 Outsourced Pharma / Life Science Leader CMO Leadership Awards.”

About the CMO Leadership Awards

Now in its 11th year, Outsourced Pharma and Life Science Leader’s CMO Leadership Awards provide readers with accurate and reliable customer feedback to assist them in choosing a reputable partner for their development and manufacturing needs. For the CMO Leadership Awards 2022, Industry Standard Research (ISR) determined the award recipients through their evaluation of more than 86 contract manufacturers. These CMOs were assessed by 23 performance metrics in ISR’s annual Contract Manufacturing Quality Benchmarking survey.
